

Welcome to the 2008 Snow Season!

SCV Racing

The Club welcomes a new Racing sponsor in the Bendigo Bank. The Club's Saturday afternoon racing is an integral part of our Club and Members are encouraged to participate whatever your skiing standard, and the handicapping system rewards improvement throughout the season

To get the trophy hunters going, Paul's Ski Shop in Albury, and Daryl Nolch have donated a fantastic pair of girls Roxy "Dixie" skis (below) to be awarded by Big John one race day during the season, and only John knows which day that will be, so participation is the name of the game!

Racing starts Saturday July 5th followed by a Wine tasting of McLaren Ridge Wines in The Dump Inn from 5pm

Remainder of Racing Calendar to be published later

Making Members Welcome

Members and guests will notice, more often than not, the smiling face of a staff member at the Front Door. The Club Board is mindful of providing Member value to all our Members and that means that only Financial Members, their signed in guests and House Guests will be able to enter the Club, unless for an organized private function.

So if you are asked for Member ID, think of it as a positive sign, not an inconvenience

Hi everyone from your ever-smiling team at The Whitt

After a blast of cold in early May the weather has been fine, but rest assured the ground is really cold and it won't be long before we will be covered in a blanket of that beautiful white snow. So dust off those skis and boots and get ready to hit Mt Buller in 2008

Members will be pleased to see lots of familiar faces at the Whitt and Kandahar this year – in fact nearly everyone has returned which is great news

Over the summer months there has been lots of maintenance undertaken that will please the Members and guests

- Entry drive has been widened to accommodate taxi and members

private cars drop off with comfort. Note there will be NO Parking outside the front entrance

- We have added 14 new car parks located in front of the Accommodation Wing for pre-arranged parking
- We have a new improved Transit room to make the first and last day of your stay more enjoyable
- Member's Membership cards have been re-programmed so Members will need to report to front office on your first visit to the Club this year, and reactivate your Card
- Members are invited to come and share a drink with Kandahar management and guests on Saturday 27th June 5pm -6pm RSVP at Whitt office by 20th June.

Cost of Living

Members and Guests will notice an increase in our Dining and Beverage prices. Regrettably with the increase in cost of fuel and staff costs this has been inevitable, so we ask your consideration in accepting this as a fact of life

The 10% discount in the restaurant continues to apply however we ask that all members show the membership card to the Maître D' on arrival.

Booking accommodation

Whilst the Club has quite heavy bookings for peak periods there is some weekend and mid week availability at both The Whitt and Kandahar, so get on the phone 57776024 or on the email to reservations@skivictoria.com.au and make a booking. Members do need to take note of our booking terms & conditions which are available at www.skivictoria.com.au
