About

There's no need to feel like a stranger on the slopes. Join the Ski Club of Victoria and transform your favourite snow sport into an authentic social experience.

SCV is like a village within the village. A close-knit community that is welcoming and sincere. Somewhere you and your kids can enjoy spontaneous fun among an expanding circle of friends. SCV is an easy-going group with a passion for skiing and snowboarding, and sharing it all with friends and family. Membership is rewarding on so many levels. On the slopes you'll find yourself exhilarated by the winter outdoors, then captivated by the camaraderie of post-race get togethers. Off the slopes, become part of lively gatherings where laughter trumps polite conversation every time.

Membership also means value. It affords all the benefits you'd expect from such an iconic club – magnificent cuisine, comfortable accommodation, diverse events, generous discounts and a presence that only 100 years of history can create.

**"Kick the snow off your boots as you enter,
For this is no ordinary shack,
It is built in the name of a skier,
Who knew how to carry his pack.**

**Relax and enjoy this haven,
As the log fires crackle and glow,
Warm your heart with the memory,
Of a soldier who loved the snow.**

**With the highest ideals of a sportsman,
He's gone to the ultimate Crest,
Kick the snow off your boots as you enter,
By example this Lodge has been blessed "**

History

In the first decades of the 20th century the only skiing in Victoria was at Mt Buffalo. Getting there involved an arduous 24-hour journey from Melbourne.

In 1924, an intrepid group calling themselves the Ski Club of Victoria decided to bring the adventure of skiing much closer to home. At their first meeting, great enthusiasm was shown over a picture of snow-capped Mt Buller. There was even more excitement when, on Sunday 8 June 1924, an expeditionary party from the club set out for the summit.

The SCV's first accommodation was Lovick's Hut, a rough timber and corrugated iron cattlemen's shack. As skiing became more popular in 1929, a small chalet was built at Horse Hill.

SCV member, Major Ivor Whittaker, known as 'Ike' had been a keen skier at Mt Buller but lost his life on active service in the Middle East during World WarTwo. His will made provision for the SCV to build a lodge at Mt Buller for the benefit of Victorian skiing.

Ivor's parents and trustees of his estate, Mr and Mrs Robert C Whittaker honoured their son's wishes and in May 1944, provided the SCV with £500 to build a skier's retreat – the Ivor Whittaker Memorial Lodge, known affectionately as the Whitt. Today, the Whitt is home to the SCV and effectively, the home of skiing on Mt Buller.

Racing Program

Snowsports Racing (Alpine and Snowboard) is one of the main reasons SCV was created and until 1955 the SCV managed all Victorian skiing and ski racing.

Today race days are competitive, but never at the expense of fun. Our races are often a family event and our results are based on an improvement-based handicap system, so that everyone who participates gets the credit they deserve (unless their own children beat them, as often happens, and then there's plenty of friendly banter all round).

SCV Saturday races have helped develop many Australian and Olympic ski and snowboard champions including Marilla, Alistair and Anthony Guss, Rob McIntyre, Judy and Peter Forass, Peter Brockhoff and Anton Grimus. As a club we strive to see our junior racers continue to make the SCV a gateway for winter sports champions.

The SCV created its own sponsorship program to help out up and coming athletes with the financial strain of competing at an international level, athletes such as Jakara Anthony, Jonty O'Callaghan and Jess Haslau have all received financial assistance from the SCV to keep their Winter Olympic dreams alive.

The SCV runs 8 Saturday races through out the winter season. Please see our Racing Calendar for more details.

Parking & Lockers

The SCV has 22 onsite parking spaces that "Member Plus" Members can rent on a seasonal basis. Please enquire at reception for more details or to join the wait list.

The SCV has 50 lockers available for seasonal rental. Stop lugging your skis and boots around town when you can store them right next to Bourke Street. Lockers are available for 1 year seasonal rental. Please see the locker application form for more details.
